Safety A Record Maintained

Four Hundred and Fifty-three Million, Nine Hundred and Fifty-two Thousand, Two Hundred and Ninetyeight passengers were carried by the Pennsylvania Railroad System during the last two years and a half without the loss of a single passenger's life in a train accident.

These passengers were safely carried on more than 3,000,000 passenger trains for a total distance of over ten billions of miles, or 400,000 times the distance around the world, and upward of 3,500,000 freight trains were operated over the 26,000 miles of track during the same period.

This record has been accomplished by the use of all-steel cars and reliable safety signals; by thorough and constant inspection, and a comprehensive system of efficiency tests.

A good batter must be in prime physical condition—he needs a cool head, a quick eye and tremendous strength to put the swing behind the bat.

Ty Cobb is undoubtedly the greatest baseball player in the history of the game. A short time ago he was weakened and all "rundown"—today he is a miracle of strength and endurance, due to filling his blood with plenty of Iron. He says Nuxated Iron has given him new life and renewed energy and put the old-time vim and vigor of youth into his blood.
